WARNED YOU

In order to give our readers the "milk in the coconut" and a reference to the source, MERCURY will hereafter run an important article "MERCURY WARNED YOU." Be sure to read it each month.

Here are some of the facts we previously gave our readers:

✓ In 1914, before Bernard Baruch took us away from nationalism and dangerously launched us into internationalism, one dollar was worth 100 cents. Today the 1914 dollar is worth 21 cents. See Page 25, October, 1958, for detailed proof.

✓ The Hidden Hand put across five related items in 1913:

1. The graduated income tax law was passed. (16th Amendment)
2. The Federal Reserve Banking Act was passed. (To finance World Wars)
3. The Anti-Defamation League was organized by B'nai B'rith.
4. The Rockefeller Foundation was established after several refusals by Congress.
5. U.S. Senators would no longer be selected by States but would be elected by the masses. This gave those controlling our communications media virtual control. See Page 103, August, 1957.

✓ In 1933, the American citizens were robbed and betrayed. Their gold was turned over to foreigners (see Page 122, May, 1956, issue). In subsequent years, foreigners were to be the "darlings." They could take our gold, grab our foreign aid, take our key positions, get tax exempt salaries, and get freedom from taxes, etc. The overburdened U.S. tax-paying citizen then became a Class B citizen.

✓ Jacob Asberg of the NYA Bank of Sweden founded the Russian Commercial Bank in Moscow in 1921. He is now banker-in-chief (behind the scenes) in the USSR. Major Jordan's diary says Asberg, in March, 1944, himself flew here to see Wall Street multimillionaire and international banker Herbert H. Lehman (ex-New York Governor and then U.S.

Senator). (Herbert Lehman was stated to be one of the seven *real* rulers of the United States, along with Henry Morgenthau and Felix Frankfurter.) Max Warburg's nephew is James P. Warburg, the leader, now, of the World Federalist Movement in the U.S., who arrogantly said on the floor of the U.S. Senate on February 17, 1950, that: "We shall have World Government, whether or not we like it. The question is only whether World Government will be achieved by consent or by conquest." (Pages 494-508 Committee on Foreign Relations, Senate, Feb. 17, 1950, Washington.) See Pages 38-39, March 1958.

√ International financiers jammed through the Federal Reserve Act December 23, 1913. Six months afterwards, World War I started. 12,901,000 people died as a direct result of that promoted war. U.S. Senate Document 346 on WW I said "Their responsibility rests solely upon the shoulders of the international financiers. It is they upon whose heads the blood of millions of dying rests."

√ In 1917, International Banker, Jacob H. Schiff, of Kuhn Loeb & Co., paid for rewriting the Bible "provided it was done entirely under Jewish auspices." Page 63, Volume II, Jacob H. Schiff's book *His Life and Letters*. See Page 120, July, 1958.

√ Congressional investigation proved that the financial crash in 1929-1933 was planned at a meeting of the Board of Governors of the Federal Reserve Board in Washington, D. C. in 1927.

√ On December 7, 1941, a few hours before bombs treasonably fell on our men and ships at Pearl Harbor, Baruch's man, General George Marshall, was at the Bolling Air Force Base, in Washington, D. C. There he met and greeted Soviet Russia's sinister Ambassador Litvinov (Moisevitch Wallach). Page 158, April, 1956. (This is the same character that Felix Frankfurter, et al, brought to our country in 1933 when we made our greatest mistake: recognizing Red, godless Russia.)

√ In 1945, Franklin Roosevelt said "No decision will be taken with regard to the basic situation in Palestine without full consultation with both Arabs and Jews" . . . "I would take no action in my capacity as Chief of the Executive Branch of our government which might prove hostile to the Arab people." (*New York Times*, October 19, 1945.) Roosevelt died immediately after saying this.

√ To set the stage for the greatest tragedy since the Crucifixion, two

world banks, with supersovereign authority were established. Read "The International Bankers are Scuttling Our Nation." Originally printed in our April, 1957, issue, Pages 125-137, and reprinted in November, 1958.

✓ Fifty-four million people were killed in promoted World War II. Our reprint breaks down the losses by country, both civilian and military. Six able U.S. Generals testified they were "forbidden" to win the Korean war. U.N. wouldn't let us. See March, 1954, Pages 47-49. The crooked United Nations made it impossible for us to win it. Our most able military men were forced out of military life. Page 104, August, 1957.

✓ Our nation has lost its way because you and I have failed to fulfill our sacred duties as trustees and custodians of a great Christian heritage. We have tolerated much crime and wrong doing. We have ignored numerous acts of treason. Page 89, December, 1954.

✓ The master-minds behind the diabolical plots create tax-exempt international organizations to carry out the "planned" conspiracy—The United Nations, the International Monetary Fund, the International Bank for Reconstruction and UNESCO are just a few of them. The stooges for the international bankers in these organizations receive *tax-exempt salaries*. You, the hard working tax-paying citizen, carry the burden of supporting them. Back cover, July, 1957.

✓ World Government and our destruction were advanced in 1944 by the misrepresented and dishonest International Monetary Fund and the International Bank For Reconstruction.

1947 was another sorry year with "planned events" that will cast their dark shadows for a long time to come.

These "planned events" since 1944 have set the stage for the greatest tragedy since the Crucifixion. Page 104, August, 1957.

✓ Roosevelt incited Britain to go to war over the German invasion of Poland but ignored the Soviet Union's invasions, at practically the same time, of Poland, the three Baltic States, Rumania and Finland. At Teheran and Yalta "on advice" he handed over large parts of the world to Communist slavery. He conspired to *betray* our ally, Nationalist China. Page 40, March, 1958.

✓ President Eisenhower promised to reduce spending. His West Point education was nullified by his "training" at Columbia University. As a

result, he currently prepared a budget of over \$86 billion per year, the largest peace-time budget in the history of our country. The international bankers continue to "advise" him. Lenin predicted that "We will spend the United States into bankruptcy." Lenin's "plan" is being directed and followed. Back cover, July, 1957.

√ Without producing any commodity or natural resources, and after siphoning off vast sums and not paying taxes, the Federal Reserve Banks have assets of over \$45,000 million. See "Money Made Mysterious," Page 7, June, 1957.

√ Evil forces within our borders have brainwashed us to turn to government seeking security, freedom, liberty and happiness. Our wise and successful ancestors turned only to God. Page 97, June, 1956.

√ We must cut out the cancer of Communism, Socialism, and treason. They are financed and promoted by our only real threat—"the enemy within." Page 104, August, 1957.

√ The international bankers caused the creation of Israel which lost our nation the century of friendship with 450 million of the Islamic world in the strategic areas of Asia and Africa. Page 104, August, 1957.

√ More than two thousand million (2 billion) American dollars have been given, directly or indirectly, to Israel. That amount could have paid for about 600,000 homes for our people costing \$3,500 apiece. The one billion dollars we gave to Communist Tito could have paid for about 300,000 similar homes. Of course, these foolish gifts further increase your taxes and your debts. Back page, July, 1957. In addition, many billions have been siphoned to Israel from West Germany.

√ Scornful denials of the success of the Communist strategy in penetrating the ranks of Protestant clergymen do not erase the facts. Church leaders would do well to ponder the following expert testimony of Herbert A. Philbrick: "It is no accident that your church is the number-one target of the Communist conspiracy in America today. The Reds have been flushed from previous cover. For one thing, since the war the Communists have suffered severe setbacks in the field of labor. They have lost control of many unions which they once dominated. Having lost power there, they have sought to gain power in another area—and the churches were selected as the target." November, 1953, Page 31.

✓ The capable Louis McFadden, for ten years Chairman of the House of Representatives' Banking and Currency Committee, testified in Congress on June 10, 1932: "Russia was designed to supply the manpower and this country (the U.S.) was to provide financial power to an international Super-State—a Super-State controlled by *international bankers* and international industrialists acting together *to enslave the world for their own pleasure*." Page 39, March, 1958. Also in November, 1958.

✓ In 1935, U.S. Ambassador Bullitt wrote Secretary of State Cordell Hull the shocking, detailed plan of Red Russia for the years to follow. Bullitt wrote to Hull: "War had been decided upon long before the Polish Corridor question turned up." The MERCURY's Opinion, November, 1958. William C. Bullitt, our first Ambassador to Red Russia, later Ambassador to France first married Anne Moen Louise Bryant Reed, widow of John Reed, Harvard's most distinguished communist who was buried in the Kremlin. His second wife was Louise Gross Horowitz.

✓ Read Congressman Cox's important speech of August 1, 1951, regarding the Rockefeller Foundation's sinister activities in aiding the triumph of the Communists in China. Page 34, March, 1956.

✓ The promoted wars and revolutions have all led steadily to the furthering of Communism and International Political Zionism. Both are financed by the same group. Notice that neither of them ever attack the Money Power!

✓ Henry Morgenthau, Sr., in his book, *All in a Lifetime*, wrote: "Zionism is the most stupendous fallacy in Jewish history. I assert that it is wrong in principle and impossible in realization; that it is unsound in its economics, fantastical in its politics, and sterile in its spiritual ideals . . . I speak as a Jew." Page 43, August, 1957.

Why Not All of Me?

A successful businessman who lay dying insisted that his remains be cremated. A friend agreed and asked cautiously, "And what do you want done with your ashes?"

"The ashes?" said the dying man, "You will place them in an envelope addressed to the Collector of Internal Revenue, and tell him that now he has everything."
